K. P.'s Field Day.

Tuesday, September 19, Philomont Lodge No. 6 of Orleans entertained a good number of visiting Knights from North Troy, Island Pond, Lyndonville and St. Johnsbury, starting with a ball game at Skinner Athletic Park in the afternoon between Orleans and North Troy, resulting in a victory for Orleans by a score of 11 to 10. The features of the game were the umpiring of Kinsley and Webster and the score as kept by Dickens, the only error of the game was made by Left Fielder Pierce who caught a Texas leaguer because he could not get away from it. At 6 o'clock the Pythian Sisters served one of their splendid banquets at K. P. hall. In the evening the rank for Knight was exemplified by Philomont Lodge, after which refreshments were served and a smoke talk enjoyed. B. O. Smith presided at the post prandial exercises and introduced Grand Chancellor Carlyle V. Willey of Orleans, who was given a splendid ovation. Grand Prelate A. L. Guild of Lyndonville, Grand Master-at-Arms W. F. Morong of Island Pond, Past Supreme Representative U. W. Brown of Evansville, Chancellor Commander E. R. Baraw of Orleans, Chancellor Commander Dr. Ross H. Butterfield of North Troy, Chancellor Commander Harley Johnson of Lyndonville, Past Chancellor Frank W. Hardy of Orleans, Past Chancellor A. H. Swett of Orleans and several others were called upon, after which the meeting was brought to a close with several selections by the Philomont quartet and chorus.

J. Cameron Anderson.

The community was greatly saddened when on Friday morning, Sept. 15th, it was learned that J. Cameron Anderson had passed from his family and friends. He was born January 4, 1844. His father, David Anderson, was born in Scotland and his mother, Mattie Seaver Anderson, in Glover. Of their three children, none of whom are now living, he was the oldest. Forty-three years ago he was married to Susie Heath. Of their two children, the son, Frank, lived but seven years, and the daughter, Mabel, is Mrs. F. E. Twombly, of Albany. For twenty years they lived on the Creek road in Albany, for three years in Barton and for the last twenty years in Orleans. He had been in failing health for several years, but continued active work until about a year ago, when it was no longer possible. He suffered intensely with rheumatism and heart trouble, and was finally stricken with an attack of acute Bright's disease, which hastened his death. He was patient during it all in spite of his extreme suffering, and gave clear evidence of strong faith in Our Father. He was a member of Valley Lodge F. & A. M., and of the O. E. S. He had been a member of the church for 25 years, being a member of the Congregational church in Orleans at the time of his death. He was a kind neighbor, and in his hospitable home one always found a cordial welcome. He will be greatly missed by a large circle of friends. The funeral services were held in the church Sunday afternoon, September 17th. Masons in large numbers from Orleans and the surrounding towns, members of the O. E. S. neighbors and relatives filled the church to the limit of its capacity to say farewell to him who had been—was still—their brother and friend. The services were conducted by Rev. G. L. Wells of Glover, a friend of the family, assisted by Rev. W. S. Smithers of Orleans. The interment was at Orleans, the Masonic service being used.

J. M. WYMAN.

It was with great sorrow and regret that the people of this community learned of the death of James M. Wyman on Friday, September 15. James M. Wyman was born in St. Armand, P. Q., March 14, 1852, a son of Isaiah A., and Cynthia (Tracy) Wyman. His parents, who were both Americans, came from St. Armand to Vermont in 1854, where James attended the public schools of Brownington and later the state normal school at Johnson. On October 12, 1872, he married Ella E. Day of Coventry and in 1873 located on the farm in Brownington where he spent the remainder of his life. One child, Mami E., born in 1875 and dying in 1899, blessed their most happy union. Mr. Wyman became a leading and important factor in the public life of his own town, as is well shown by his service as first selectman for more than twenty years. His knowledge and opinions upon public measures were pronounced. He approached the consideration of every question
